Are you interested in a rewarding career that allows you to have **Pride Protecting People?**

Then joining the Baltimore City Fire Department is for YOU!

As an **Emergency Medical Technician/Firefighter**, you will have the opportunity to provide emergency medical treatment at the scene of an accident or illness, transport sick and injured persons to medical facilities, respond to and mitigate hazardous incidents, extinguish fires, perform rescues and participate in community risk reduction activities. **NO PREVIOUS CERTIFICATION NEEDED. WE WILL TRAIN YOU!!**

As a **Paramedic or Paramedic- CRT** you will work alongside other members of the Baltimore City Fire Department to provide emergency medical treatment at the scene of an accident or illness and transport sick and injured persons to medical facilities. You will analyze and take command of patient care with full responsibility for patients until you are relieved by proper medical staff. **Paramedic's** lead other Fire and EMS employees, but do not involve supervisory duties.

As an **Emergency Medical Technician (EMT)**, you will provide emergency medical treatment at the scene of an accident or illness by analyzing and taking command of patient care with full responsibility for the patient until the patient is transported to a medical facility and is relieved into the care of proper medical staff. **NO PREVIOUS CERTIFICATION NEEDED. WE WILL TRAIN YOU!!**

Eligibility Requirements: Applicants must be 18 years of age at the time of application, must be eligible to work in the United States, must possess a high school diploma or equivalent from an accredited institution and possess a valid driver's license.
